SUPER SCHIETSPEL!

BOUWINSTRUCTIES

Misschien heb je dit spel weleens gezien op de kermis. Het heet Skeetball en het is makkelijk en heel leuk! Je rolt een balletje tegen een helling op en probeert het in één van de cirkelvormige gaten bovenin te laten vallen. Je kunt dit schietspel zelf maken met onderdelen uit je LEGO verzameling. De kleuren mogen er best anders uitzien dan op dit plaatje - doe wat je wilt! Als balletje kun je bijvoorbeeld een knikker gebruiken.
